CAREER OBJECTIVE

A dexterous creative and strategic thinker with an unwavering desire to hone my skills in an environment where creativity, impact, research and community development thrives. Experienced in Website Development and with a passion for creating dynamic and user-friendly websites using React js, Next js, and Tailwind css; proven track record of delivering high-quality projects within strict deadlines; skilled in front-end development, cross-functional collaboration, and problem-solving and dedicated to continuously learning and implementing the latest industry trends and technologies to enhance the overall user experience.

I earnestly yearn for an institution that will bring my skills to bear while leverage on the available resources to contribute to knowledge, organizational growth and societal advancement.

WORK HISTORY

Frontend Developer, SozoRock Tech. Inc., Remote

January, 2024 – April, 2024

- Developed a custom UI library that increased developer productivity and code reuse.
- Utilized web technologies to create dynamic content, enhancing user engagement and satisfaction.
